Mijne Heeren Rugbyers,

For years you have been reminiscing the celebration of Lustrum X. Years have gone by where you had to search for joy without team members due to corona. You have waited years for this moment; your preparation for Lustrum XI starts today.

New Year's drinks

In order to start 2023 in a proper manner we will convene once again in Hermes. Enjoying an unlimited source of golden drinks and brown fruit we will cheerfully inaugurate the coming year. Moreover, at this drink we will present to you the new Lustrum Tie.

—

Dies Natalis LV

In order to celebrate the 55th birthday of our club we will all, young and old, student and burger, friends and family, come together at the Bear's cave in the beginning of May.

Lekker Vies Festival

Take your RSRC bucket hat and fanny pack out of your closet and make sure you have nothing planned the next day. The sun will make pils look even golder and taste like never before. Not only will your ears but also your eyes get impulses that make your serotonin level climax.

The Young Schiedammer

The Bear's Cave is briefly abandoned to rightfully restore a faded relationship. Young and Old come together to celebrate the Red and Green.

Blown-away Day

Young and Old meet and make new memories together. This day is all about enjoying, something that you can do like the best. The Lustrum Committee will arrange the nice weather, all the rest will follow.

Rotterdamsche Studenten Rugby Cinema

For one day the R.S.R.C. ground commits a metamorphosis. At arrival you hear the popcorn pop and smell the delicious hot dogs waiting for you. Watch a true rugby classic on the silver screen of the Rotterdam Student Rugby Cinema.

New Year's Activity

A fun tour along the most iconic locations in R.S.R.C. history. The day will come to close with a dinner and the annual New Year's Drinks. Optional to all packets and included in the Red-Green heart packet.

The Northern Lights

On the eve before the Lustrum Dies, the gentlemen of red-and-green will have to show their true colours. Alongside the Maas, accompanied by champagne and a cigar, we will briefly take in the Maas and make known to the whole city our love for the club.
